1b View Street Seaton SA

It is time to start to speak with your preferred builder as these allotments will definitely suit most building plans.

You have one option to secure a street front Torrens Title allotment which boasts a good size frontage of 12.37 m and depth 32.00m. The second option is to purchase a hammer head allotment which offers your own private driveway and the possibility to construct a beautiful courtyard home.

Positioned close all amenities, secondary high schools, Royal Adelaide / Grange Golf Club and only a short drive to Grange Beach / Westfield Shopping complex

The floor plan that has been provided is a copyright to Formats Homes which illustrates the type of home your could build on Lot 2. Please feel free to contact Format
