## 3/17 Seaview Road West Beach SA

4 3 2

This stunning, low maintenance townhouse rocks an absolute beachfront position - we're talking no road, no cars, between you, the dunes and the Beach. In fact there is nothing that will ever stand between you and the incredible sea views.

Once inside, you could be in Greece. It's so beautiful. You know that feeling you get when you've just arrived in some faraway paradise and the whole of your holiday is stretching before you...

Leave the world behind and slip into breezy relaxation with two levels of light-kissed luxe: at entry level, a double bedroom, combined laundry/bathroom and open-plan living spaces that turn on the charm with a dazzling entertainer's kitchen and spectacular seascapes; spilling outside to decks front and rear.

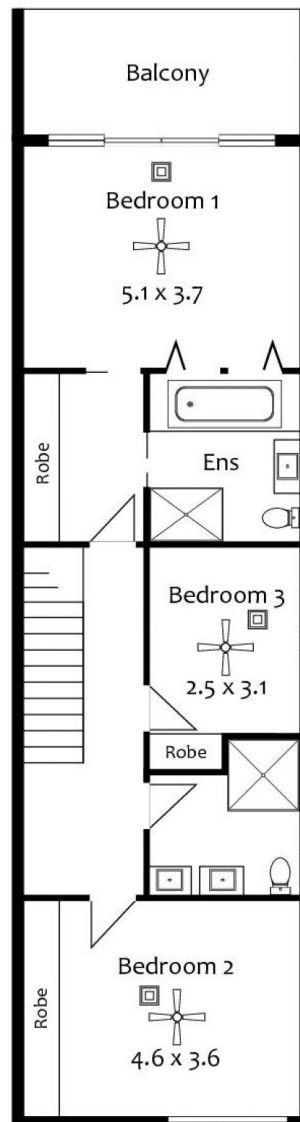

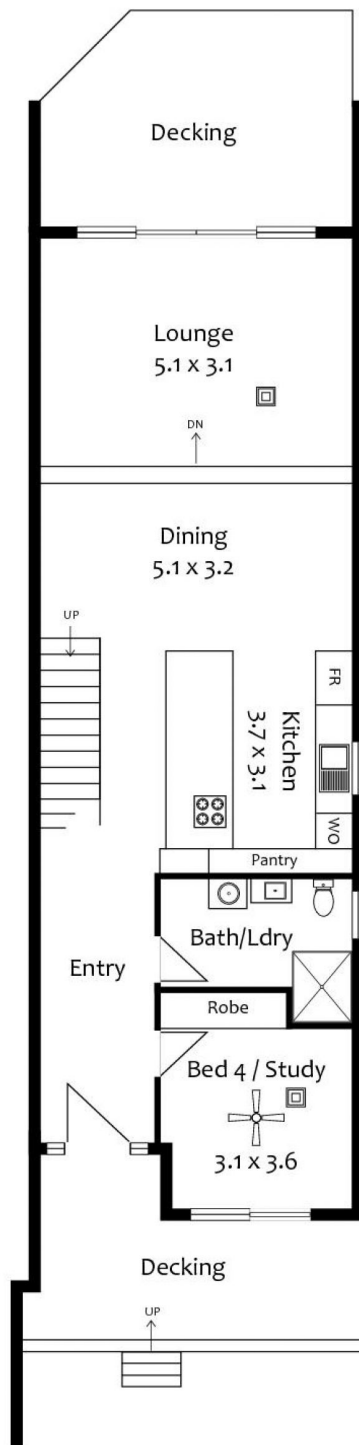

**Building Size** : 199 sqm
