22 Warner Avenue Findon SA

4 2 2

Designed with the contemporary family in mind, this recently built two storey home offers outstanding living, bedrooms and entertainment areas consisting of quality living.

Large porcelain tiles and down lighting greets you upon entering the home, where a cleverly designed bedroom/study offers the perfect place for guests to stay over or an ideal 'work from home' location.

The large living and dining areas are fully tiled and complimented by down lighting with this vast open plan space providing ample room for the whole family to relax and a generous kitchen complete with designer pendants, is a natural extension of the living area.

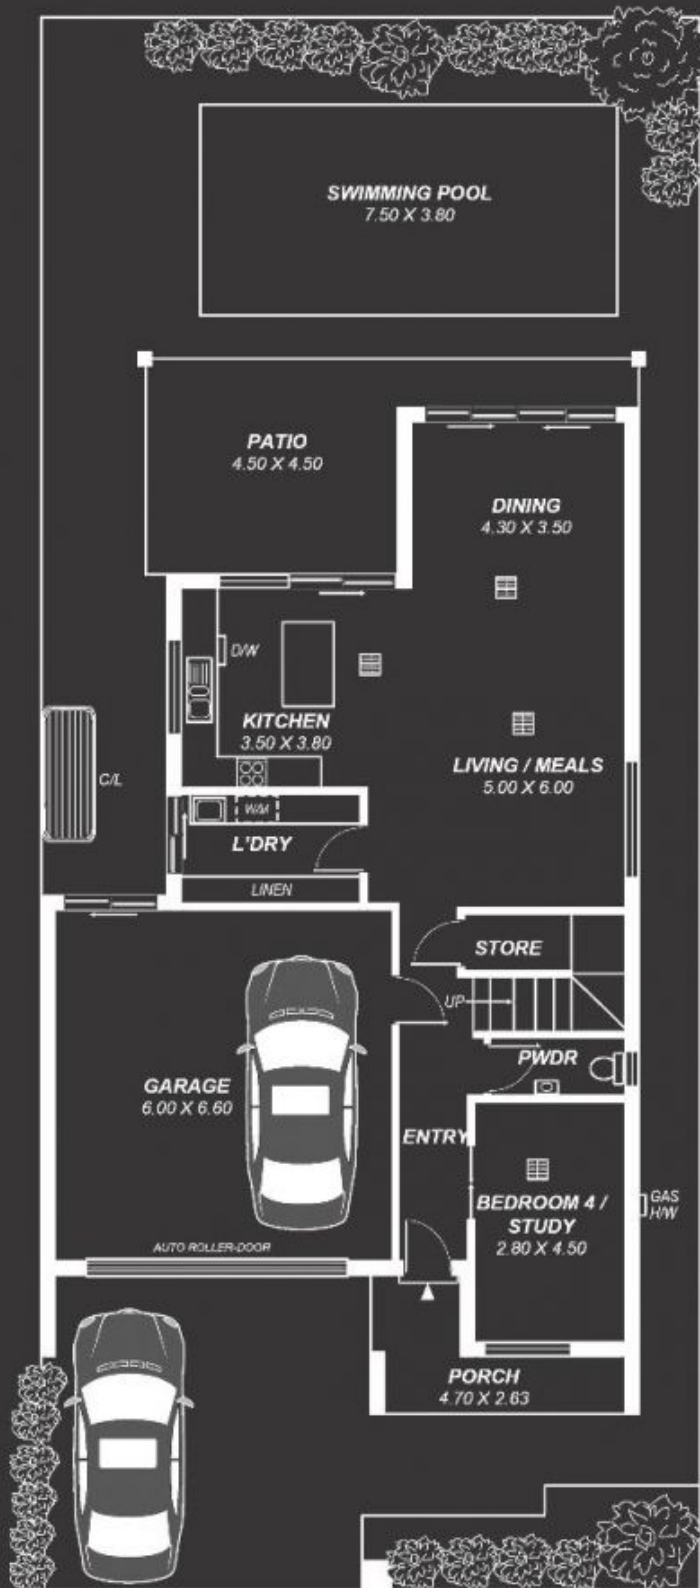

Stainless steel Euro appliances, large pantry, glass

Building Size : 232 sqm
