1/5 St Annes Terrace Glenelg North SA

2 1 1

Glenelg North and its neighbouring Glenelg's stress-free lifestyle and beachside charm draws the crowds - young singles, professional couples, families, retirees and travellers. It's popular with those who like to stay active and the locals make the most of the coastal walking paths and cycling tracks.

Renowned for its pristine beach, rich heritage, sidewalk cafés and stunning sunsets, Glenelg is as much a holiday destination as it is a place to call home.

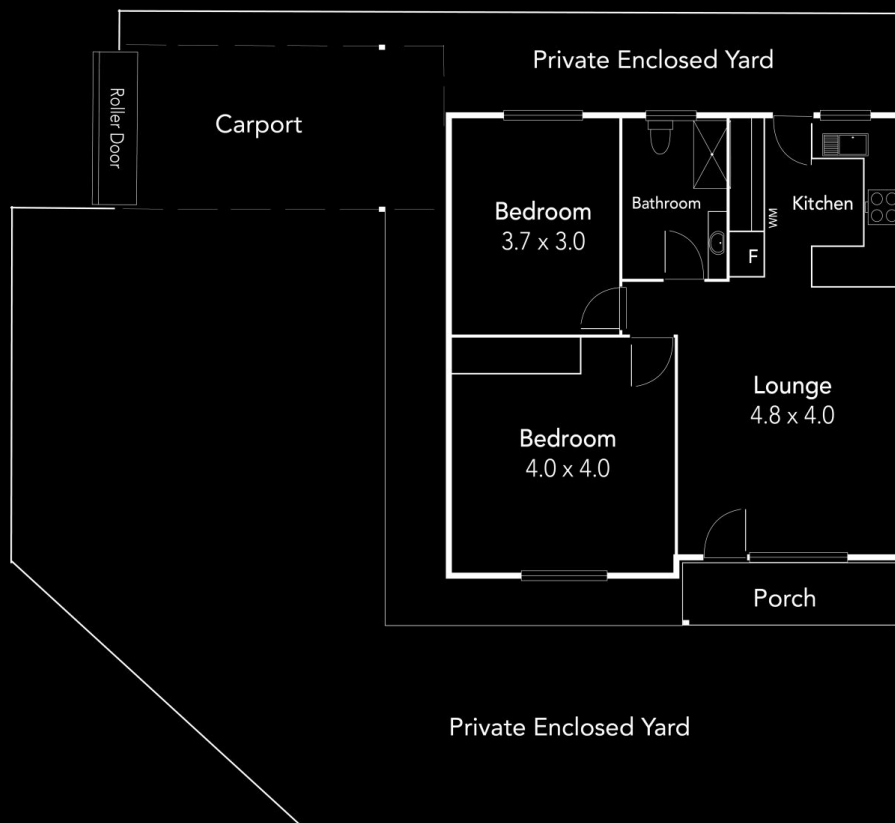

In the heart of this iconic destination is this wonderful downstairs unit on the corner of St Annes Terrace and Tod Street in the Glenelg Shores apartment complex. The unit is one of only six in the group and sits just 130m from the Patawalonga Boat Haven. Why not take a picnic dinner down to the lush lawn and watch the sunset to see for
