Bain St

5 Bain Street Pasadena SA

With a large 31.65m frontage and 930sqm of opportunity, this could be the perfect location to build your dream home.

With a park less than 100m away and another reserve over your back fence, there is plenty of room to stretch.

Imagine carrying out your morning rituals by your window with a view.

This block holds so much potential for you to create that ideal home. Designed cleverly, you will love watching the sunset over views to Glenelg beach and the moments just before sunset as the sky slowly darkens and the urban sprawl begins to glow in lights of all colours.

The large trees on the block add rustic privacy, or you can choose to have them removed to emphasise those gorgeous views.
