**11 Lucas Street Woodville South SA**

**3**  **1**  **2** 

An old house on a large block, located in a great suburb with lots of development happening in the area.

The potential exists to build two quality homes on this block (STCC).

A nice wide frontage allowing great house designs to be utilised.

There are many other new homes along the street and in the suburb.

The existing house is an old brick home with three bedrooms and one bathroom.
