24 White Sands Drive West Beach SA

4 2 4

Location, size, quality and presentation. - This one ticks all the boxes.

Homes like this, with four bedrooms and two spacious living areas do not come around too often.

Positioned on approximately 380 sqm with a nice, wide street frontage allowing a spacious double garage. This home has been thoughtfully designed with a floorplan to maximise the space.

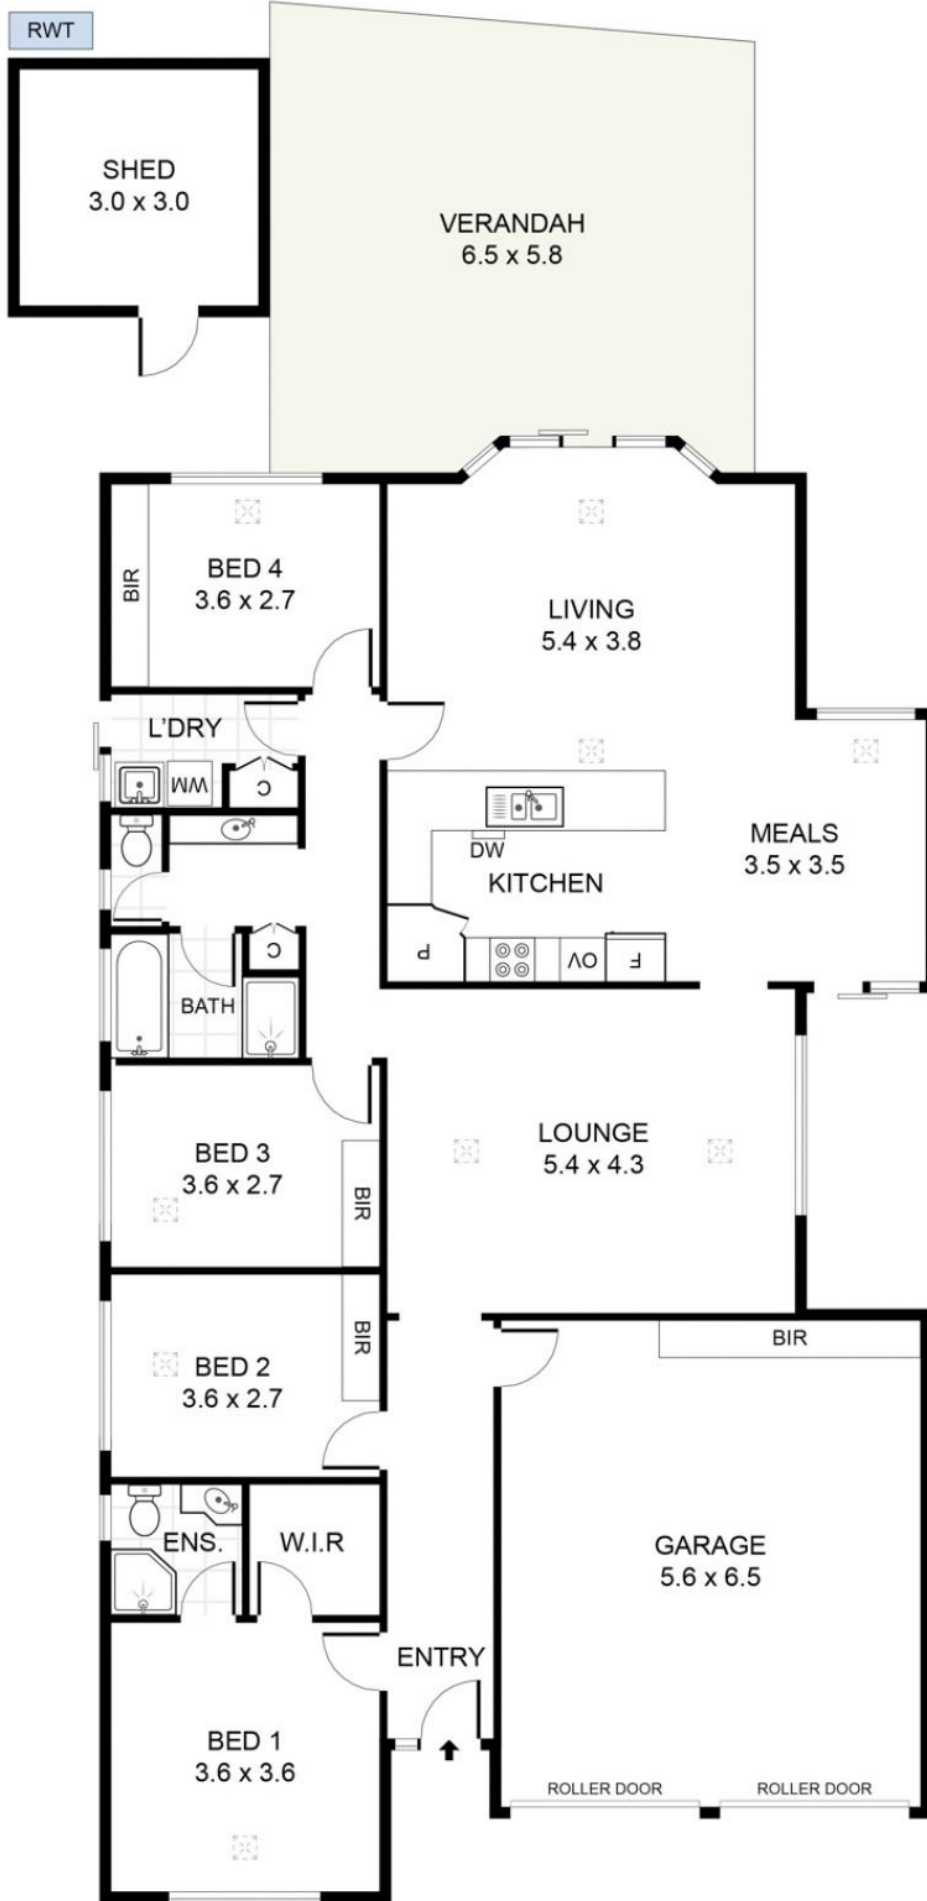

Lovingly cared for and looked after by the current owners since new, this home is deceptively spacious not your run of the mill courtyard home by any means!

Located within a 500 metre walk to the beautiful sandy shores of West Beach in a very quiet spot.
