Inspired by cool neutrals and calmed by warm, earthy tones, this stylish property created by Grange Homes in 2014 is both soothing and refreshing to the senses.

Greeted by feature brickwork offering a striking contrast to the rendered facade, complementary warm and cool tones flow easily through the interior to present a stunning executive home on a low- maintenance 390m2 block.

Designers have crafted a balanced floorplan for couples or families - three spacious living areas, three generous bedrooms, and two large bathrooms plus a handy w/c downstairs.

Whatever your mood there is a place to relax, albeit with guests in the formal lounge or your family in the generous open plan area, in the alfresco with a glass of wine and the
