## 6 Brickwork Place Walkley Heights SA

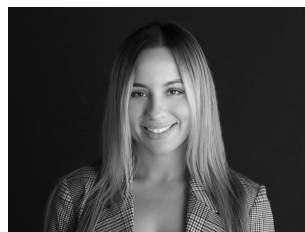

4 2 2

From the picture-perfect street presentation to the entertainer's pergola with lusciously leafy surrounds, this four bedroom home delivers impeccable style and crisp family living.

It's the little things that deliver a sense of comfort and wellbeing - the wired alarm system and roller shutters, the private and peaceful outdoor entertaining area, the cosy bedroom and lounge room carpets, and the ducted reverse cycle a/c throughout.

Heralded by a cracker of a kitchen, the light and inviting open plan zone is the perfect alternative to the carpeted formal lounge. There's a space for quiet relaxation and a place for family time, with the all-season option of undercover outdoor entertaining complete with ceiling fans, lights, heaters and café blinds.
